

## Gospel Spread craft

1. Print the template (gospel spread 1 & 2)
2. Colour and cut out all the pieces.
3. Put them in order: World, Continent, Country, County, City/town, house
4. Put all the pieces together however you like! Maybe punch a hole in the top and use string or a split pin
5. Great way of showing that gospel spread starts with God asking us to proclaim Jesus in our little bit of the world, and the message goes OUT!
